SKILLS & ABILITIES | I care for animals boarding or hospitalized. I can answer phones and make appointments. I also keep the client informed on products and care. Assisting the vets in animal care and promoting products. I can also use any Microsoft program. I'm good with computers.

EXPERIENCE | **VET TECH/ SENIOR KENNEL**
WINDER CORNERS ANIMAL CLINIC
2012-PRESENT

I am in charge of daily kennel work. I make sure every pet that is boarding has food, water and a clean cage. I also make sure everyone has a bed or some toys to play with while they are boarding. As tech I give medications to hospitalized patients. I fill medications and perform lab tests for the doctor. I assist the doctors in any way I can. My job is to assist and care for the animals in our care.

PET SITTING
2013-PRESENT

I pet sit for a couple of our clients at Winder Corners when they can't board at the facility. I also pet sit for my boss from time to time. I do daily walks if needed. I feed and can give medications. I do have a small SUV so I can take your dog to the park if needed. I do some light cleaning. I also bring in any mail and water any plants. I have experience with all breeds of dogs and any size.
